Why are you interested in serving on the Include Always Patient & Family Advisory Council?

Do you have any previous experience serving on a committee either through your job, community, or school or have a background that would be helpful? Please explain.

2000 North Avenue • Northfield, Minnesota 55057 • (507) 646-1000 • www.northfieldhospital.org

Process for applicants

- Applicants will submit a hard-copy of the *Include Always* Patient & Family Advisory Council Application to the Patient Advocate.
- Applicants will need to complete a General Volunteer Orientation. Sessions are 1 ½ hours monthly at the hospital.
- Applicants will complete background study form and other documents at the General Volunteer Orientation.
- Applicants will be asked to complete a Pre-Volunteer Health Screening Appointment. At this appointment, volunteers will complete health screening forms and receive a TB blood test.
  - Infection Prevention Immunization Guidelines include:
    - Patient Partners born before 1957 do not need to locate immunization record.
    - Patient Partners born after 1957 will need to provide immunization records of MMR (Measles, Mumps, Rubella), Varicella (Chicken Pox), and Tdap (Tetanus, Diphtheria, Pertussis). If these are not found, immunities can be determined by a blood draw titer.
